Motivate is a synonym for encouragement. And, that is exactly what you will receive when you attend **Motivate 2023**. The evening will be a time of **LIVE** musical worship led by singer, songwriter, worship leader, and author **Hope Darst**. She desires to see people encounter the love of Jesus while being restored and set free in His presence. Whether through sincere, artful expression or congregational praise music, Hope's goal is always the same - to worship God in everything.

While known for her powerhouse vocals, her ability to lead worship with authority and conviction is what marks Hope the most as a worship artist. Her passion drives her to write candidly about every aspect of her faith, from struggles to victories, mountaintops to valleys. The journey is what led to her penning songs like "Peace Be Still," "Promise Keeper," "Set Free," and "Come Alive."

Her newest project is a seven-song EP titled *If the Lord Builds the House*. "I hope when people hear these songs they hear what I know to be true of God in every season. His name is a firm foundation that cannot be torn down. His name has the power to change anything. He alone deserves the glory. His name is sweeter than honey and more than enough. He never leaves us nor forsakes us. He is faithful and never, ever fails to show up."

This is a one-of-a-kind event specifically designed for our Central Pennsylvania community of believers. Hope will share with us the story behind these heartfelt songs. It will be an intimate evening that will leave us searching our soul and motivating us to Christ-centered living.
