Understanding Our Times and the Biblical Path Forward is Dr. Tackett's most recent Biblical worldview conference. Drawn from a livestream series (*7 Threats in Our Culture*) and his latest video small group study (*The Engagement Project*), Dr. Tackett shows us from the Scripture what we are seeing play out in our culture today as we rapidly depart from Biblical foundations and exchange the Truth of God for a host of lies.

We pray you will gain a deeper understanding of the primary battlegrounds in our culture: from the family to the church, work and government. We will seek to gaze upon the crown jewel in the nature of God and His vision for His people. We will contemplate what could well be the only Biblical way forward in our times—one that was followed for the first 200 years of the Church before we tragically set it aside.

Join us for this special time as we seek to gain Biblical insight into the times in which we find ourselves, and therefore, like the sons of Issachar, understand what the people of God should do.

Dr. Del Tackett will be live and in-person at this special event!
